Chapter 1 by Kasoni Fisk

Now we ALL get cheated on and our hearts broken and we never see that person again, right?.....well our story is different and this is how it all started. It started in seventh grade in sixth period. he walked in the classroom and I was the first thing he looked at and he was mine. His eyes, his hair, and his smile just all of it was amazing and it just lit up my world like he did to me and his name was Payton Leyva. We passed notes EVERYDAY, we played tag and smiled at each other and when he smiled at me it was like the world looking straight at me. I knew right there and then.....I liked him very very much. Days turned into weeks and weeks turned into months, and when it hit October 23, 2013 we started dating.
